

## Affiliate Disclaimer

In an effort to be completely transparent, I want to let you know that I have an affiliate relationship with some of the companies whose products or services I recommend.

This means that, at no additional cost to you, I will earn a commission or credit if you decide to buy any of their products or services.

This is one of the ways I pay for maintaining this site. Just to be safe, you can assume that any link that you click while on my site or using any of the products is an affiliate link and I will earn compensation as a result.

I urge you to not spend any money on any of these products or services unless you really need or can afford them.

I endorse these products because I have verified that they work as advertised and that the seller of these products is honest and ethical in their business practice.

Thank You.
